VASCULARIZATION

Examiner: To Be Assigned

Group Art Unit No. 1645

CORRECTED SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, and the timing requirements under 37 C.F.R. §1.97(e)(1), it is respectfully requested that this Corrected Supplemental Information Disclosure Statement be entered and the corrected EMBL database accession number, listed below on the attached Form PTO-1449, be considered by the Examiner and be made of record.

The corrected EMBL database accession number is:

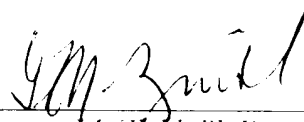

OTHER ART (INCLUDING Author, Title, Date Pertinent Pages, etc.)

DATABASE EMBL SEQUENCES (Online), Accession NO. Q9NXB8, October 1, 2000, 1 page

Applicants received an International Search Report for Application No. PCT/US00/27512, which had been mailed on May 29, 2001. Applicants, in compliance with the three-month timing requirement set forth in 37 C.F.R. §1.97(e)(1), filed a First Supplemental Information Disclosure Statement, based on the references cited in the International Search Report, with the U.S. Patent and Trademark Office on August 8, 2001. However, Applicants inadvertently replaced the "B" in the above accession number with an "8". Applicants are now filing a corrected Supplemental Information Disclosure Statement. Applicants respectfully request that this art be made of record in the present application.

Applicants do not believe any fees are due in connection with the filing of this Corrected Supplemental Information Disclosure Statement. However, should any fees under 37 C.F.R. §§1.16-1.21 be deemed necessary for any reason relating to this correction, the Commissioner is hereby authorized to deduct said fees from Brinks Hofer Gilson & Lione Deposit Account No.23-1925.

Respectfully submitted,

Gregory M. Zinkl, Ph.D
